

HOW TO CHARGE YOUR IPAD OR CHROMEBOOK

Plug one end of the power adapter into the power port on your Chromebook and the other end to a power outlet.

Be sure to use the charging cable provided by your child's school.

Green or white

Amber

Battery light charging indicator for Chromebook.

Green or white- Fully Charged

Amber- Charging

Battery charging indicator for iPad.

If your charging cable becomes damaged or lost, please contact your child's school for a replacement.

Please remember to charge your child's device the night before school so it's ready to use at school the next day.
