

Ringgold High School

2024 Upcoming Freshman Newsletter #1

January 11, 2024

Principal's Welcome

In six short months the Class of 2028 will begin high school. RHS will offer numerous opportunities to provide information about high school. I encourage students and parents to take advantage of the transition events, contact RHS faculty, and make a plan for a successful high school experience. I look forward to meeting the Class of 2028 soon.

Best Regards,
Mr. J.R. Jones
